Mr. Eugene Davidson
Yale University Press
New Haven, Connecticut

Dear Mr. Davidson:

I enclose copies for the first six chapters of the National Policy Committee's project on "Income Stabilization for a Developing Democracy". The remaining chapters will follow in a week or ten days as I am able to complete final editing. If you have questions about style, organization, etc. I suggest you either write me or consult one of the three members of the National Policy Committee--Kent Healy, John Miller, or Eugene Rostow. If a group of problems accumulates requiring my attention I will be glad to make a trip to New Haven.

Sincerely yours,

MS
